Personal Thought Questions:

1. Jesus and His sacrifice can fully cleanse us! The result is that we should have confidence to draw near to God with a clean conscience. Is that true for *you*?
2. Verses 26-31 warn against going on “sinning willfully.” Do *you* have a sin in *your* life that *you* have been continuing to willfully commit? What are *you* going to do to stop that?
